

Boardworks Order Form

Add an X in the blank columns below beside the product you want to order.

Boardworks is a publisher of a complete range of software designed for whole class teaching on interactive whiteboards and projectors. With a growing range of software offering complete curriculum coverage across middle and high school faculties, Boardworks' ready-made lessons are packed with interactivity to motivate all your students.

This is a one-time purchase that provides a lifetime site license. Once installed on your school network, you can use it on every Windows computer in your school. The price excludes local taxes, and shipping is free.
